

**Sargento Foods Inc.** is a family-owned company, established in 1953 in Plymouth, WI. Sargento is one of the largest retail cheese companies in the United States. The company employs more than 1,800 people at four Wisconsin facilities: Plymouth, Kiel, Hilbert and Elkhart Lake.

Our Sargento Family—those employed by our company and the retirees who laid our foundation—represents three generations of real cheese people. My grandfather had a simple philosophy: "Hire good people, and treat them like family."<sup>™</sup> His philosophy guides everything we do.

Since our founding, Sargento has been dedicated to innovation. We do what we do for the love of 100% real, natural cheese; from ahead-of-its-time packaging to unique varieties, from industry firsts to industry bests.

We welcome you to continue to learn more about Sargento as you explore your future career.
